March 3rd 2020,

Dear Parents,

Over the next two weeks we are celebrating the wonderful diversity of cultures at Knighton and in Room 11. During the week of the **9th -13th March (Week 6)** we would like to invite you and/or your child to share something special about your culture and your country with the other children in Room 11.

This could be for around 10 or 15 minutes. You and/or your child could:

- share some special items of clothing,
- share some special objects,
- help us learn how to say hello or count in your language,
- teach us a game,
- share some music or craft

On **Tuesday 10 March at 9:15am** the whole school is joining together for a parade of the countries represented in our school and we would like to invite all children and families to dress in their traditional clothing to take part in this.

On **Tuesday 10 March at 12.15pm** we would also like to have a 'food tasting' in Room 11 that celebrates special food from the countries of the children in our class. If you could provide some food typical of your country for the children to have a little taste, we would be most grateful.

Please come and see me, email me at [gmillier@kns.ac.nz](mailto:gmillier@kns.ac.nz), or message me on Dojo to arrange a suitable time and day if you would like to come to visit to share about your culture and country or let me know if you are going to send some special sharing with your child.

Kind regards
