

Friday 6th March

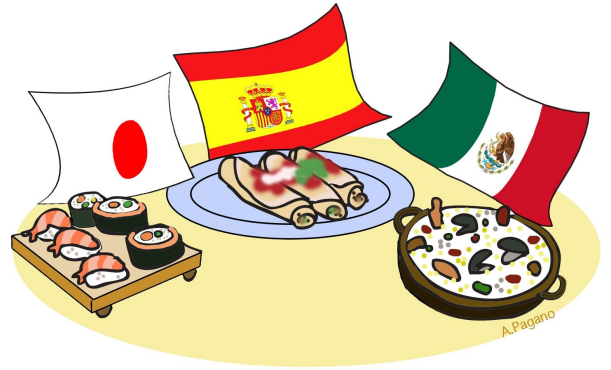

Kia ora e te whānau,

This coming Tuesday, 10th March, Knighton is having our annual cultural parade. To celebrate in Room 30 the children decided to have a shared lunch. If you are able, please provide a plate of food for your child to share with the class. Food that is special to your family's culture/ heritage is preferred but not a necessity.

If you would like to join us for the morning to share a part of your culture with our Room 30 tamariki, please let me know. We would love to have you visit. Any questions or queries, please contact me on Class Dojo.

Ngā mihi
