Tuesday 23rd June 2020

Dear Parents/Caregivers,

On Wednesday 1st July, Knighton Normal School Greencaps have the opportunity to take part in a community planting project with the Hamilton City Council. They will be helping to plant more native trees in the reserve area behind the school towards Wairere drive. This planting activity will be taking place from 12.30pm till 1.30pm. Your child will need to bring:

- A named spade or trowel (small spade) for digging.
- Sturdy closed-toe footwear (gumboots are best).
- Named warm clothing and a raincoat.
- Named gardening gloves or kitchen gloves.
- Their usual morning tea, lunch and a bottle of water.

If you are able to come and support the students with planting, please complete the form below and return it to the school smiley face window by Friday the 26th of June. Thank you for all your support and help.

Kind regards,

Danielle Brydon,

KNS EnviroSchool coordinator

(Please return this slip to the KNS Smiley Face window by Friday the 26th of June)
