Term 3 is going to be full of fun and exciting learning experiences in Room 9.

Classroom News

The Knighton Way: Our focus this term is **Whakapau Kaha** or **Persistence**.

We will be discussing the following statements:

I keep trying. I do my best work. I finish my work.

📍 **Topic Focus:** We will continue to learn about the history of New Zealand. In science we will be looking at the forces, push and pull.

📍 **Homework:** Thank you for the regular reading homework you are encouraging your child to do. Please continue to help them remember to bring their book bag to school every day.

📍 **Library:** The school library will be closed for the rest of the year.

📍 **Absences:** If your child is sick or is not coming to school please text or phone the office.

📍 **Spare Clothes:** Can you please have a spare change of clothes in your child's bag in case of accidents or muddy/wet clothes.

📍 This term I have the privilege of taking part in the first intake of the new Te Ahu O Te Reo Māori course to upskill in the language and culture of the Tainui people. The fabulous Sue Roots will be covering most of the five relieving days needed for this course. She will run the usual Room 9 programme and continue to teach some awesome art skills.

If you have any queries or concerns, please do not hesitate to pop in, or email me at vbigham@kns.ac.nz.
