

Kia ora e te whānau,

Next **Wednesday 24th March**, KNS is having our annual cultural festival.

To celebrate in Room 30 we are having a shared lunch/kai that day.

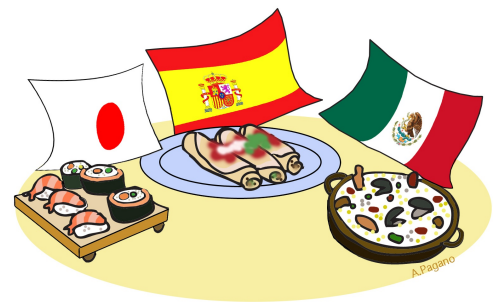

If you are able, please provide a plate of food for your child to share with the class.

Food that is special to your family's culture/ heritage is preferred but not a necessity.

- ❖ Our school has a **no nut** policy as there are many children with severe allergies. Please be conscious of this when preparing your food.

- ❖ It is easier if food can be stored at room temperature in the class during the day but we do have a small fridge if necessary.

- ❖ Please provide any equipment needed to eat the food i.e. a knife to cut a cake.

Any questions or queries, please contact me on Class Dojo. I will send home a hard copy of this newsletter on Monday.

Ngā mihi nui,

Whaea Whakarongo a.k.a Ms Tauranga
