### **Matariki trip to The Base**

Dear Parents/Caregivers,

We are very excited to have the opportunity to visit The Base to experience 'My Matariki', an educational and inspiring experience. There are three different activities that the children will participate in. These include; a Matariki discussion, experiencing the Matariki infinity room and a star trail. They will then receive a gift upon departure once they have completed all three activities.

We are attending this workshop as part of Matariki learning. During week 9 we will also be working with a pēpi class (Room 20) and tukāna class (Room 27).

The trip is on **Wednesday 30th June 2021**. We will be leaving school at 10 a.m and walking to the 271 Clyde Street (outside four square) bus stop where we will catch the orbiter to the Base. We are fortunate to have BUSIT and the Waikato Regional Council providing free transport for our students and teachers.

The workshops take approximately 1 hour. We will then return to school at approximately 1:30 p.m.

There is no cost to this event. Children will need to bring extra snacks on top of their normal lunch as this will go in the supervised adult bags to eat while we are away.

Many thanks,  
Chrissy Cottingham
