

Room 7, 10 & 29 Shared Matariki Lunch Friday 2nd July at 12:00pm

Dear Whānau and/or Caregiver,

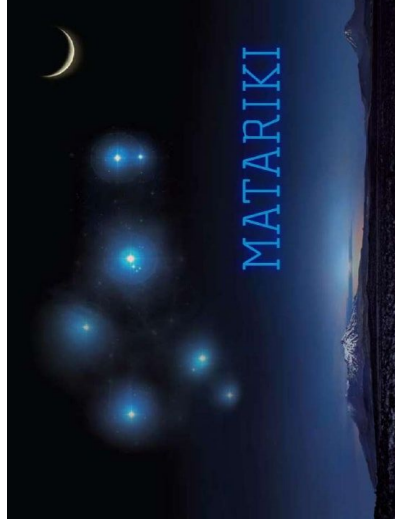

For Matariki week celebrations Room 29 will be having a shared lunch with their Matariki buddy classes Room 10 and Room 7.

It would be great to have students bring in an item of food to share if they are able to. This could be something little or a shared plate. Just bringing some food to share with the classes would be appreciated.

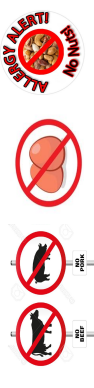

Please be aware that we have specific allergies in our class. Please do not use nuts, (including nutella, peanut butter, peanut oil) or eggs in the food you bring in. We also have Halal students in Room 7, 10 and 29, so please try to not bring in pork or beef, and food that includes gelatin. If you are bringing in a food containing egg or non halal meat/ or gelatin or gluten please **clearly** write this on the container. It is very important that we keep all students safe.

Thank you for your understanding around this. We are looking forward to enjoying our Matariki celebrations in Room 7!

Kind regards,
Miss Heng - Room 7 Teacher
Matua Josef - Room 10 Teacher
Mrs Forrester - Room 29 Teacher

Room 7, 10 & 29 Shared Matariki Lunch Friday 2nd July at 12:00pm

Dear Whānau and/or Caregiver,
