

## Kia ora/Greetings

Thank you again everyone for your goodwill and cooperation with our school following Level 2 protocols. While in normal circumstances, we love having family and friends of our tamariki come into school, the goal of Level 2 is to minimise the number of the adults onsite. Please only come on site if it is necessary. It was so nice having our children back learning at our kura for a full week last week. A number of children have told me how much they love being back at school and spending time with their teachers and their friends. I know that our teachers feel the same way.

We will be having a Teacher Only Day on **Monday 8th November**. This replaces the postponed Teacher Only Day we had set down during lockdown. School will be closed for instruction on this day. Please make sure you put this date in your diary.

## Lost Property

There is **a lot** of lost property outside Mrs Cowie's office. Please come and claim your children's clothing. Named items can be returned to children but unfortunately most of the clothing that is lost is unnamed. *Please name your child's clothing!*

## Yummy Stickers cut off for the year

Yummy cut out labels from bags and stickers from apples need to be returned so we can send them away to claim our free sports gear! Please collect all these up and put them into the Frog Box at the smiley window by the end of next week.

## Level Two- Covid

Please continue to reinforce messages about hygiene practices with your children. Practising good hand and sneeze/cough hygiene is the best defence:

- wash your hands often with soap and water before and after eating as well as after attending the toilet
- cover coughs and sneezes with your elbow

Encourage students to stay home if unwell.

**There is no reason to keep your child home if they are well!**

## Covid App

Are you coming into the school grounds at level two? Make this easier for yourself and our staff by downloading the Ministry's Covid App.

<https://play.google.com/store/apps/details?id=nz.govt.health.covidtracer> or <https://apps.apple.com/nz/app/id1511667597>

You then simply have to scan the QR code rather than having to record your details.
