31st May 2022

Dear Parents,

Your child has been selected to participate in a **'Have a go Sports Day'** at Matangi School. This is an exciting opportunity for your child to take part in five different sports including football, basketball, rippa rugby, netball and hockey in one day. All sports are going to be organised and run by the Matangi School Year 5 and 6 students.

We are planning to take 16 students from Knighton Normal School.

They will be competing against other Hamilton East schools and having fun, whilst learning some new skills.

Date: Thursday 16th June 2022

Time: Leave school about 9:10a.m. Return after lunch.

The permission slip below must be returned to the Frog Box at the Smiley Window by Tuesday 7th June.

Can you please indicate if you are able to help supervise and support a group of children on the day and whether or not your child has a current Knighton sports uniform shirt.

We will also need transport to get us to and from Matangi School. If you are able to help with this it would be much appreciated and imperative for the day to be a success.

I hope you can get behind this exciting day and support your child with this great opportunity.

Regards

Grant Miller | Room 11 classroom teacher | gmillier@kns.ac.nz
