## Room 26 Newsletter Term 3, 2022

Kia Ora and welcome to our Knighton School whānau and community!

This term, through discussion and our play, we will be learning about:

Ngā tikanga o Knighton - we will talk about what makes a 'Cool Knighton Kid' who gets along at Knighton School: being a caring friend, sharing and taking turns, and being able to listen to and work with others in our class.

Keeping Safe - learning about family, friendships and respect.

Celebrating connection and community - through arts and culture, connections to each other and our cultures. We invite you to the celebration parade in the last week of term.

Reading, writing and maths - learning about letters, words and numbers, and enjoying books and stories, in small teacher-led groups, with the whole class, through games and independent activities every day.

*I'm very lucky to be the teacher in Room 26 for these new entrants. Until the beginning of this year, I was teaching a New Entrant class and was part of the Senior Leadership Team here at Knighton. After a short break, I am now looking forward to helping your child's transition to school - helping to develop a sense of achievement and belonging as they continue their learning journey. Anne ☺*

(Nga tikanga o Knighton)

Can you pack food for our healthy snack at 9.50am - a brain break to keep us going until morning food at 11.20am. It might be fruit, salad vegetables, a sandwich or crackers. We eat lunch at 1.30pm.

Drinking water is good for our brains!
