

August 2022

Room 17, Term 3 Newsletter

I hope you all had a happy and relaxing holiday. We have another super busy term planned.

The Knighton Way - an important part of our school philosophy.

This term our focus is Persistence.

- I keep trying
- I do my best
- I finish my work

Mathematics

- counting forwards and backwards to 10, then 20, and more.
- learning how to make 5 and then 10.
- learning about Measurement - length. Algebra - Patterns.

Literacy - we are focusing on developing early literacy skills:

- phonics and alphabet.
- the reading and writing process.

Keeping Safe - this covers three key concepts:

- Ko Au - All About Me
- Ko Aku Hoa - Friendships and Relationships with Others
- Ko Tōku Ao - Me and the World

Home Learning

This book will come home every day in your child's bookbag. It is where we practise writing our name or a sentence. It also has some alphabet letters so you can practise making some of the words that are in the reading book they are reading at school.

Please take 10 minutes every day to help your child with this mahi/work.

On Fridays your child will bring home their poem book to share.

Library - Our library day is Friday.

Dates to Remember

Keeping Safe - parent introduction meeting
Tuesday 9th August 5:30 in A9

Teacher only day - Friday 2nd September

School photos - Monday 12th September

Cultural Festival/Parade Wednesday 28th September

Term Three: 25th July - 30th September

Some things to think about:

- * Shoes that are easy to put on and take off - gumboots are great!
- * **A change of clothes for my bag** - I might get wet or muddy.
- * An extra layer, it's getting cold! Sweatshirt, Vest 😊.
- * A water bottle for class.
Water helps my brain work.

Have you checked out the school website or Facebook page?

If you have any questions or concerns please feel free to contact me by email or Class Dojo.

The school newsletter comes home every second Tuesday.
