

School closes at **1:00pm** on  
Friday 16th December  
See you on the 31st January!

**Kia ora/Greetings**

As this is the final newsletter for the year, I'd like to take this opportunity to thank everyone for doing their part in making this school a 'great place to be' for our tamariki. Like the previous two years, Covid played a significant part in our lives, both at home and at school, however we got through it and it feels like we're coming back to something resembling 'normal' now.

I would like to thank our teachers, learning assistants, kaiawhina, and support staff for their dedication and hard work this year. I'm a very lucky Principal leading a group like you. I would also like to thank the community, whānau, families and outside support agencies for trusting us with your children and for your ongoing goodwill and support.

Lastly, I'd like to thank our children, who are the reason why we all do what we do. There is a special culture at our school. Our children are very friendly, loving, and respectful. It is a privilege to turn up each day and help each and every child with their learning journey. I would also like to wish our departing Year Sixes and any other families who are moving on all the best.

I hope everyone has a safe and enjoyable break. A gentle reminder that school finishes this week on Friday at **1.00pm**. We reopen again on **31st January 2023**.

# Year 6

This week we farewell our Year 6 tamariki. It has been an honour and privilege to be part of their journey at kura. These last few weeks have seen our Year 6's participate in a number of incredible EOTC

activities. We were blessed to visit Kirikiriroa marae and hear about its history and important stories of the local iwi. At Ngarunui beach in Raglan, we learned about the ten beach safety rules

before plunging into the surf with our whānau to catch some waves. Our EastLink Sports day tested our futsal skills against a NZ rep, taught us how to rally in badminton and we tried our best to skate gracefully around

the in-line skating rink. Participating in the senior fun day and the year 6 disco was the best finish to an amazing few weeks of awesome experiences.
