Kia ora e te whānau,

We are very excited about sharing our production called, '**A Night in (Knighton) the Museum**', in Week 8 (4-7 September). It is about a group of children who go on a class trip to the museum. They visit exhibits from different decades in time and experience different historical events as the exhibits come to life.

We rehearse on Tuesday and Thursday mornings. Some of the children have chosen to be on stage, and some of them have chosen to be behind the scenes in the backstage crew. Whichever role the children have chosen, they are working hard and are very important to the running of this production. If you know your child will not be at school during the week of production, please let your child's classroom teacher know as soon as possible.

Your child is a valued member of the **BACKSTAGE CREW**.

Please help them get their uniform and put it in a named bag to bring to kura. We are here to help you, so let us know if you can't find any of the items on the list below.
