Term 4 2023

Nau mai hoki mai ki tō tātou kaupeka whakamutunga, ki te akomanga whitu
Welcome back to our final term, in Room 7

Ko te aronga o tō tatou kura i te wāhanga nei, **kia maia**
Our Knighton Way focus is

to be confident

- I know I am special
- I try new things
- I can do things for myself
- I take risks and learn from my mistakes

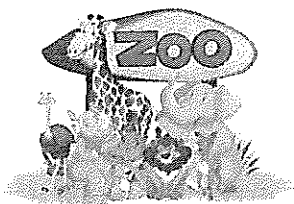

This term **all children are required to wear their Knighton Normal School blue hat during outside play.** Hats can be purchased from the

online Kindo shop

<https://www.kns.ac.nz/21/pages/20-online-kindo-shop>

Our seeds we planted last term have sprouted and we look forward to seeing what emerges 🌱 **

In preparation for our visit to the **Hamilton Zoo** on Wednesday 25 October we are learning all about animals, classifications, adaptations, habitats, enclosures, and how we can be informed kaitiaki.

Our swimming days are **Tuesday** and **Thursday**. Please bring togs, towel and a suitable bag on these days and name all clothing.

We swim rain, hail and shine...just not during thunder or lightning storms! A note of explanation is required if not swimming.

Our class will join with buddy classes and opt into a variety of learning opportunities, to learn new skills, gain confidence in growing friendships, and show success in problem solving and making good decisions.
