

# 2023 Knighton Normal School Community Survey

At Knighton Normal School it is important to us that we get your feedback about how we are meeting the needs of your child/ren and how effective we are as a school.

This year, we are wanting to find out from the community what 'success' looks like and how we, as a school, can help with your child/ren being successful.

**If you would like to complete this annual survey form  
please return it to the Smiley Window by Friday 3rd November.**
