Rāapa 11 Whiringa-ā-nuku 2023

Kia ora e te whānau,

As part of our swimming and water safety programme senior school students will be attending a beach education day to be held at **Wainui Beach, Raglan** (see dates for your child's class in the table below) Kaiako and tamariki will travel by bus to Raglan.

This programme is **FREE** for all Year 5 & 6 tamariki in our senior kura.

BeachEd is a beach safety programme aimed to give children the skills and knowledge they need to be safe both in and out of the water in a beach environment. Trained lifeguards from the Surf Lifesaving Club instruct the programme, with parental / adult assistance.

Adult help (18+ years) is extremely important to this programme, as there must be a ratio of 1 adult to every 5 children in the water. During the water activities you will not be going past waist depth at any time. Your role in the water is simply to provide another pair of eyes, to act as boundary markers and to provide encouragement to those participating. You will not be required to act as a lifeguard in any situation. We will need a **minimum of 6 adults per class** in order to meet our required ratio.

All parent helpers will need transport to and from Raglan, as seating on the bus is limited. It might be a good idea to carpool and contribute money towards the cost of petrol for the driver. Please let kaiako know if you would like to carpool.

Please **return** the Health and Consent form that accompanies this letter to your child's kaiako by **Rāhina 30 Whiringa-ā-nuku** (Monday 30 October) so that we can confirm adult helpers and send home the volunteer helper disclosure forms.

Bus Departs promptly from school each day at 8:15am Bus Returns to school each day between 3:30 - 3:45pm	

All children and parent helpers participating in the programme will need to bring:

Swimming togs, towel, warm clothes, sun block and a hat, morning tea, lunch and plenty to drink.
(A wetsuit is optional. If your **child burns easily, a rash top is recommended**)

Please note that the BeachEd programme runs wet or fine, so if it is wet you will also need a change of clothes.

Kind regards
Senior Kura Kaiako
