Kia ora,

We are really excited to inform you that rooms 17 and 18 are getting refurbished! They will be a healthier, more beautiful and functional space for our kids.

This work will be completed throughout term 3, starting in the first week of the upcoming holidays, which means we've had to find alternative space for these classes.

We have decided the best option is to utilise the only free classroom, Akomanga 26, for both classes. While this is an inconvenience and will at times provide additional challenges to teachers and students, we want to reassure you that your child will still be getting the same high standard of teaching and learning they're used to.

Over the next week or so Mrs Sargent, Mrs Kurnaz and Mrs Chesham will be moving all of their belongings and furniture and getting the room ready for next term.

If you have any questions or concerns please feel free to see us.

Nga mihi,
