2025 Road Patrol & Traffic Wardens

It is that time of the year when students who will be in the senior school next year can volunteer to be a member of one of the road safety teams for 2025. These are very responsible duties that require a high level of commitment.

2025 Year 6 children: The road patrol team are year 6's and they cross children at either Knighton Road or Clyde Street crossings. Both these crossings use the same 'staggered call' process.

2025 Year 5 children: The traffic warden team are year 5's who cross children either on Dey Street or the Henry Street island.

A police constable will be starting the first training session on Thursday 28th November for the Year 5 Road Patrollers. There is normally a follow up training session early in the new year. Details will be sent out when this has been booked by the Police. Children must wear shoes and their school hats at training.

Year 4 Traffic Wardens will be trained during week 8 (2nd - 6th December).

Once initial training is complete we will make a roster of the patrollers preferred day and crossing. This means they are needed both before and after school. Students are usually on duty for two or three terms of the year.

We need you to make sure your child attends regularly and on time.

If your child is sick or unable to do their duty next year, you are responsible for organising a replacement using the contact list that will be provided.

At the end of the year the Police put on a free mega pool party at Waterworld to show their appreciation for the children doing these important jobs.

Please discuss this matter with your child. If you would like your child to train as a road patroller or traffic warden then complete the form below and return it to the Frog Box at the Smiley Window by **Friday 25th October**.
