29th October 2024

Consultation for <u>2025</u> class placements

It is acknowledged that our consultation process about the formation of classes is an important and valuable process and is much valued by parents and staff. All staff are consulted about the children in their class and their input takes priority when making up classes.

Most parents rely on the professional judgement of the staff to place their child in the appropriate class and do not need to fill out this form. However, <u>if you would also like to have input</u> please comment on the form at the bottom of this letter, and return it by **<u>Friday 8th November.</u>**

As in previous years, it is **<u>not</u>** possible for parents to request their child be with specific friends or teacher.

Please be aware that the final decision for your child's placement rests with the senior management of the school.

For parents who really need to talk to me please ring the office.

If you would like to complete this form please return it to the 'Frog Box' at the 'Smiley Window' and <u>not</u> to your child's teacher.

Andrew Campbell - Principal
